Centrale Lille international exchange student

FACT SHEET

ACADEMIC YEAR

2024-2025

centralelille
Four engineering schools, 16 master’s programs, including seven taught entirely in English, PhDs and seven research laboratories: for more than 160 years, Centrale Lille has been training top-level engineers and researchers. Its varied and demanding training programs, its ambition and its strong involvement in innovation and research make Centrale Lille a major player in France for higher education and research.

Our mission is to train engineers and researchers at the highest level in disciplines across the board, professionals with strong scientific and technical specialization and the ability to find innovative solutions for the widening range of challenges faced by our societies.

Type of exchanges
- Non-degree exchange mobility (semester or full year)
- Double-degree programmes
- Lab research Internships

Language requirements
- For French-taught programmes, a proof of French proficiency is required: B1 for non-degree mobility, B2 for double-degree program.
- For English-taught programmes, a proof of English proficiency for non-native English speakers: IELTS 6.5 or equivalent.
- For Lab research placement, no proof of language proficiency is required, but the level of proficiency in English may be assessed by Centrale Lille if required.

Nomination and Application process
(contact: international.mobility@centralelille.fr)
Partner institutions are asked to nominate their students through our MoveOn Nomination Form (link sent by e-mail).
The link to the application form will be sent directly to students after their nomination.

Application documents required from incoming students:
- Copy of passport/ID
- Academic transcripts
- Academic resume/CV
- Motivation letter
- Learning Agreement
- Proof of language proficiency

French language preparation
Students are strongly encouraged to undertake a French Language course in their home country or in France before the start of their mobility period.
In their home country, student may contact the nearest Alliance Française. Students may also touch base with the Office for International Relations at Centrale Lille for further information regarding recommended French Language programs in France:
- CAVILAM, in Vichy, with whom the Groupe des Écoles Centrale holds an agreement with preferential prices
- International Academy (Université de Lille) for a more local solution.

Cost of living at Lille
Accommodation: between €250 and €500 per month (depending on the type of housing solution)

Food:
- Monthly average budget: 300€
- A full meal with starter, main course and dessert at university refectories costs €3.30
- A full meal at a regular restaurant costs between €15 and €25

Transportation:
- Tickets for public transports cost €1.80 (single trip, 1hr)
- Monthly Tickets are available from €26.50 for students under 26 y/o.
Health, Housing & Civil Liability Insurances

EU students are strongly advised to request the European Health Insurance Card prior to their arrival.

International students must be covered by a valid travel insurance including health, hospital and repatriation expenses for their travel to France and at least the first month of mobility. Upon arrival, non-EU international students will have to register to the French Health Insurance system (free of charge, online registration): https://etudiant-etranger.ameli.fr/#/

Other mandatory insurance coverage: Civil Liability Insurance (for all students, subscription prior to arrival recommended) & Housing Insurance (students accommodated in CROUS Residences only).

Other non-mandatory insurance coverage: additional health insurance cover.

Welcome & Orientation activities

Centrale Lille provides a comprehensive support to international students until they complete their mobility at the school.

Before departure, students are invited to attend a Pre-Departure Webinar early June during which they get all necessary information to prepare their mobility. Students receive thorough guidance by the Office for International Relations at Centrale Lille regarding housing arrangements, language preparation, transportation, visa, registration at Centrale Lille and other elements ahead of their stay.

Upon arrival, Centrale Lille organises a ‘Meet and Greet Week’ for International Students whereby they are offered comprehensive information and participate in welcoming activities (pick-up at train station, buddy system, opening of a bank account, administrative formalities, etc.). Our International Student Club TIME mediate dedicated activities to facilitate the integration of international students.

Important notice

Students are required to arrive in time to attend the welcoming activities organised by Centrale Lille. Late arrivals should be avoided whenever possible, and, in any case, must be notified in advance.
